Up Close & Personal

Artists' Studios Tour

This area is steeped in rich tradition dating back over 10,000 years to the Mi'kmaq First Nations people. European influence began four centuries ago as the Area became the seat of Canada's first enduring European settlement. The region continues to evolve and flourish, attracting artists and art aficionados of all ages.

ARCAC, (Annapolis Region Community Arts Council), is one of six Cultural Centres in the province designated by NS Department of Tourism & Culture. It hosts vibrant events and unique exhibits all year and acts as a focus for local arts talent and expertise. ARCAC also helps coordinate arts resources in the Annapolis Region and operates ARTsPLACE, an artist-run gallery which is open year 'round.

The Annapolis Area has a large representation of artists in all of the arts disciplines including visual arts, crafts, performing arts and literary arts. To meet some of these multi-talented artists in person and visit their studios is a highlight.

The following tour showcases just a few of the area's artists and galleries. (Maps p.10, 11 and 18.)

To begin your Artists' Studios Tour, take Exit 22 off Hwy 101 (Rt. 8). Follow Annapolis Royal signs. The first gallery is near the stop-light corner of St. George St. (Rt. 8) & Prince Albert Rd. (Hwy. 1).
