## Your Design Destination

*Beauty is everywhere in Annapolis Royal, from the stalls of its Farmers' Market, boutiques and galleries to the homes of its citizens.*

If you love design – houses, gardens, art, crafts, antiques, vintage and modern creations – you will love Annapolis Royal! The area is more than Canada's birthplace...it is a centre for the design arts...a unique design destination. Annapolis Royal and its surrounding townships are home to countless artists and designers who have moved here from other parts of Canada, the United States and Europe. They have joined the growing concentration of local artists and specialized craft and trades people in an area recognized for its beauty, quality of life, sustainable lifestyle and historic connections with the wider world.

### Handcrafts & Design

The artistic and professional quality of the work of the Annapolis Royal area design community is both sophisticated and strong. It has nationally recognized artists and

potters, award-winning heritage contractors, charming shops selling antique, vintage and modern creations to add beauty to your life.

This colourful and vibrant area has museums, markets, galleries, restaurants, a year-round theatre and is home to the Annapolis Royal Historic Gardens, one of the most beautiful and celebrated small gardens in North America.

### Lifestyle & Heritage

A design destination, though, is more than just a place to buy things. It's about ideas, as well. When you come and visit Annapolis Royal, you will learn what makes this small town and its economic survival so extraordinary. Through its heritage, you'll see continuity with the past. Through its geography, you'll see unspoiled rural beauty. Through the wealth of restored and re-purposed buildings, you'll see an example of the

successful recycling of old and unwanted structures. Through its artists and craftspeople and shop owners and volunteers, you'll see intelligent, relevant cultural institutions. Through its citizens, you'll see a real community.

### Come See for Yourself!

Founded in 1605, Annapolis Royal has reinvented itself throughout four centuries, but it is still about the values you hold dear...a sense of place, a sense of permanence, an old-fashioned respect for heritage and the values of the past, coupled with an acceptance of today's different lifestyles. It is a centre of excellence for the design arts... a vibrant, creative community that would love to share its "design for living" with you!
